by Senator Luedtke's Juvenile--Judiciary Committee.

PRESIDENT: Juvenile Committee?

SENATOR LUEDTKE: On behalf of my Juvenile Committee, I would move the adoption of our Judiciary Committee amendment.

PRESIDENT: I can see that frivolity will be difficult to contain this afternoon.

SENATOR LUEDTKE: Mr. President and Members of the Legislature.

PRESIDENT: Proceed, Senator Luedtke.

SENATOR LUEDTKE: The--I'll explain the bill in explaining the amendment. The--there is such a thing as appointment of a referee in juvenile court matters and this referee makes an investigation and makes recommendations to the separate juvenile court judge as to the disposition of certain cases regarding juveniles and when there is an interlocutory decree entered, the, there was never a set and a clear way of either delaying that interlocutory decree or having an appeal from it. This sets forth the procedure to do it and the amendments merely clarify further that this particular delay in appeal when you can appeal the order of such a referee that it say, it would say; or as directed by the presiding judge and their clarifying amendments which were brought in by Judge Moylan and his referee from the separate juvenile court in Douglas County and there was no opposition, incidentally to this bill. Judge Nuernberger from the separate juvenile court in Lancaster County was very much in favor of it as were the judges in Douglas County.

PRESIDENT: Any further discussion of the bill? Any further discussion of the amendments? Shall the amendments be adopted? All those in favor please say aye. Those opposed say no. So ordered the amendments are adopted. Back to you Senator Luedtke.

SENATOR LUEDTKE: Mr. President, I would move that LB 519 as amended be advanced to E&R for review and I've already explained the bill in explaining the amendments.

PRESIDENT: Any further discussion of the bill? Question is shall LB 519 as amended be advanced from general file to E&R initial? All those in favor vote aye. All those opposed vote no. Voting on the advancement--are you all through voting? Voting on the advancement of LB 519. Thank you. Clerk will record. Alright.

CLERK: 28 ayes, no nays, 21 not voting.

PRESIDENT: The bill is advanced. The Chair has the pleasure of introducing to the body a rather unusual person this afternoon. Seated under the North Balcony is Colleen Galagly (sp) an 18 year old Senior from Charles McRussell High School in Great Falls, Montana and she is the winner of the Great Falls and the Montana State Oratorical Contest for the American Legion and this morning was the winner--and then she followed this up by being the winner of the five state regional contest, but this morning she was the winner of a 14-state sectional contest that was held here in Lincoln High School in Lincoln. She's now going to travel to Charlotte, North Carolina tomorrow morning to compete in the Legion sponsored National Oratorical Finals, competing with three other contestants for a total of \$18,000 in scholarships. I think that we would like to have Colleen Galagly stand up so that the Legislature could recognize her. Would you please rise back there? We're certainly pleased to have you here today as a visitor to the Nebraska Unicameral Legislature and Colleen is escorted by Ray Oltman back there and we're delighted to have you come by. Anybody from the big
